

Natalie Rose Hoover

Looking for a diverse range of cast members for your project, but unsure where to start?

Look no further!

No time to sift through countless auditions to find the ideal voice for your characters?

Not to worry!

Natalie is well-connected with a vast network of talented actors and can help you discover the **perfect** voice for your project.

Natalie can help by creating audition sides, evaluating auditions for quality and suitability, and presenting you with a curated selection of the top choices to streamline your decision-making process. For added convenience, she also offers services such as live direction in studio for additional fees. (*acting or musical*)
